Media (materials/methods used to make the piece):
Please write a short paragraph answering the following questions in complete sentences. Remember, prizes are also awarded for scientific merit, so please be as specific as possible when describing the science behind your work!
*You may attach your answer to a separate sheet of paper attached to this form.
What is the scientific concept behind your creative piece? How have you shown it? What do you want viewers/listeners/audiences to learn or consider when they experience your art piece? How do you want them to feel?
